+GENERAL INFORMATION

What is General Convention?

Beta Theta Pi's General Convention is the Fraternity's annual reunion where the Beta family cultivates new and old relationships, celebrates individual and chapter achievements and inspires attendees to continue to live Beta's values. Leadership College and various general sessions provide enriching educational experiences, while our chapter delegates, Fraternity Trustees and Foundation Board conduct the business of the Fraternity.

When is Convention?

Beta's 178th General Convention will be held July 27-30, 2017 in Salt Lake City, Utah.

Where will it be held?

Convention will be held at the beautiful [Snowbird](#) resort!

What is the schedule for Convention?

Every day of Convention includes time for legislation, celebration and education. An overview schedule is located on Beta Theta Pi's website. Check back periodically for updates, as we'll be adding more details throughout the summer.

Who goes to Convention?

Everyone is invited! Alumni, family and guests are invited to attend all of Convention or just a few events as their schedules allow.

+CONVENTION REGISTRATION

How do I register?

Everyone coming to Convention needs to register online by visiting Beta's [Convention website](#).

What does it cost?

In February 2017, your chapter president selected a "package" – a set price for a certain number of people coming to Convention on behalf of your chapter. This package number includes all undergraduates, chapter advisors and house corporation volunteers. Chapters were billed for their package on March 1, 2017. If you're unsure which package you selected, ask your treasurer to check the March statement. If you're still not sure, call 800.800.BETA and ask to speak to someone on the Convention team. The package indicated the number of people your chapter is sending to Convention. Now you need to register actual people to fill those slots.

- If you register fewer people than your package, you will not get a refund. So, it's important to fill every one of those slots.
- If you register more people than your package, that's great! The chapter will be billed for those extra people in September. This table shows what your original package cost and what bringing extra people will cost:

Package Selection	Total Package Cost	Cost Per Extra Attendee
Delegate Only (1)	\$749	\$550
2 people	\$1,100	\$550
5 people	\$2,250	\$450
10 people	\$4,000	\$400
20 people	\$7,500	\$375

Additional fees are in the table on the following page. If you are bringing family or guests, please refer to the FAQ document for "Alumni and Guests."

The longer you wait to register, the more it costs. Registrations that occur after 4/15 and 6/26 will incur an additional fee charged to the chapter.

	Before April 15	4/15-6/26	6/26-6/30
Delegates & Leadership College Participants (all undergraduates)	package pricing	package pricing + \$25	package pricing + \$100
Advisors	package pricing	package pricing + \$25	package pricing + \$100
House Corporation Volunteers	package pricing	package pricing + \$25	package pricing + \$100

When is the “really final” registration deadline?

As you can see in the table above, there are various registration deadlines. The FINAL day to register online is **June 26, 2017**. Space permitting, you can call the office to register from June 27-30, but extra fees will apply. We strongly recommend that you register early in the summer.

What does my registration include?

Your registration fee includes meeting expenses, many of your meals (at least one per day), and a shared hotel room (see next page).

What if I have special needs or dietary restrictions?

During the online registration process, you can indicate special needs, ADA or dietary restrictions. We will do our best to work with the hotel to meet those needs. Please be aware that our banquet locations are not full service restaurants – please limit dietary requests to allergies.

What if I’m graduating in January 2018 and want to go as a package attendee?

Oftentimes January 2018 graduates will be listed in our database with a graduation year of 2017, which limits your online registration options. If you run into trouble, please call the Administrative Office at 800.800.BETA and ask for member of our Convention team for assistance.

What if I’m having trouble registering online?

Call 800.800.BETA and ask to speak with a member of the Convention team. We are happy to assist you.

Cancellations and refunds

There are no refunds available for package selections. If a package registrant can no longer attend, you may substitute someone else for that registration at no charge. To make a substitution, please contact the Administrative Office at 800.800.BETA and ask to speak to a member of the Convention registration team.

For participants that would like to upgrade to double or single room, you can select this option while registering online. Please reference the chart in the "Convention Registration" section for prices. Note: if you are bringing a guest and he/she is staying in the hotel with you, you must register for a room upgrade. If no upgrade is selected, undergraduate registration includes four to a room and advisor/volunteer registration includes two to a room.

Undergraduate (upgrade to double)	\$255
Undergraduate (upgrade to single)	\$375

How do I pay for my hotel room?

What if I'm coming early or staying late?
