THE CODE (CONSTITUTION AND LAWS)

FOREWORD

This new edition represents another step forward in the development of The Code initially given to us by its framers in 1878. The original Code was the first non-secret document of its kind among social fraternities, and the present edition follows this tradition.

The Code represents the authority for the governance of our association. It brings every member under its rules and regulations.

This edition has been corrected to include changes authorized by the 178th General Convention in 2017.

CERTIFICATE

I hereby certify that the Code of Regulations consisting of The Constitution and The Laws and the Appendices thereto as herein presented are accurate in all details and form the basis for the government of Beta Theta Pi Fraternity.

General Secretary

PREAMBLE

For the better accomplishment of the objects and designs of Beta Theta Pi, a fraternity established by John Reily Knox, Samuel Taylor Marshall, David Linton, James George Smith, Charles Henry Hardin, John Holt Duncan, Michael Clarkson Ryan, and Thomas Boston Gordon, “of ever-honored memory”, at Miami University, in the State of Ohio, in the month of August 1839, and now organized as a corporation not for profit under the laws of the State of Ohio, the General Convention of Beta Theta Pi assembled at Marriott’s Marco Island Resort, Marco Island Florida, on the 7th day of August 1994, adopts the following Constitution and Laws, which shall be and are the Code of Regulations of Beta Theta Pi:

ARTICLE I NAME AND OBJECTS

SECTION 1. Name: The name of this fraternity is BETA THETA PI.

SECTION 2. Objects: It shall be constituted as hereinafter provided and shall have for its objects the promotion of the moral and social culture of its members, the establishment of confidence and friendly relations among the universities and colleges of the United States and Canada, in securing unity of action and sympathy in matters of common interest among them, and the building up of a fraternity that recognizes mutual assistance in the honorable labors and aspirations of life, devotion to the cultivation of the intellect, unsullied friendship, and unfaltering fidelity, as objects worthy of the highest aim and purpose of associated effort.

ARTICLE II MEMBERSHIP

SECTION 1. General: The fraternity shall consist of the individual members of all chapters of Beta Theta Pi and the individual alumni who have been initiated by any chapters and have not died, resigned or been expelled.

A. He is not a member of any similar fraternity or association;

B. He completes the pledgeship normally prescribed by the chapter or colony proposing to initiate him, unless the period of pledgeship is waived by written approval of the General Secretary;
C. The chapter or colony to which his name is proposed shall express confidence in his character and qualifications, including scholarship requirements set forth in Chapter XIV of the Laws, by electing him at a meeting duly called, by vote of its collegiate members upon such vote as its collegiate members shall determine with complete autonomy;

D. He is formally initiated into the chapter or colony so electing him.

SECTION 3. Equality of Members: All members shall have equal rights in the fraternity.

SECTION 4. Membership Eligibility and Inclusiveness of the Chapter: No chapter shall permit discrimination in membership selection, initiation, chapter operations, or other activities of the fraternity based upon any person’s race, color, creed, religion, age, disability, ethnic background, sexual orientation, or national origin.

All chapters and alumni associations shall, except as otherwise provided, have equal rights in the fraternity.

SECTION 2. Normal Establishment of Colonies: Colonies of Beta Theta Pi shall be established only for students enrolled in universities and colleges of good standing and repute with a record of support for positive fraternal culture as determined by the Board of Trustees with input from the Administrative Office staff.

Prior to a colony being established, the Board of Trustees and Administrative Office staff shall make such investigation of the facts and circumstances as they deem advisable and, upon the Board’s preliminary approval in favor of the establishment of a colony, the Board of Trustees may authorize the initiation of regularly enrolled students, undergraduate or graduate, at that institution by their designee. These students so initiated at such institutions shall constitute a colony of Beta Theta Pi. Requirements for an institution to be considered shall be set by the Board of Trustees.

Temporarily inactive status can only be granted for one term at a time and automatically terminates at the end of such period. Such status may be revoked by the General Secretary, District Chief or Administrative Office upon receipt of information showing grounds for such status did not exist, and any revocation shall be effective at the beginning of the period for which the status was granted. At the end of the period of suspension, the member's status returns to the status he had prior to suspension. d. In all cases in which the chapter fails, neglects or refuses to institute discipline after request by the General Secretary or a majority of the Board of Trustees;

e. All other cases not herein provided for.

SECTION 2: Discipline of Members, General Provisions:

A. A failure to perform one or more of the requirements of this chapter may be excused on appeal in a particular case, if the accused has received substantial justice.

B. A decision may be vacated or amended if requested by an Accused and if it appears that an error has been made or the interests of justice so require by a two-thirds vote provided: (1) it is within one year from the date the decision became final; and (2) the decision was not the expulsion of a member from the fraternity.

C. A charge or claim that a member of the fraternity has engaged in conduct inconsistent with the character of a worthy member of Beta Theta Pi may be brought against any member in any status by any member or pledge of Beta Theta Pi. The charge must documented briefly describing the alleged misconduct.

Notice: All efforts should be made to provide the accused with ample time and ability to be present and actively participate in the proceedings. Diligent effort should be made to give notice to ensure the accused knows of the charge against him and the time and place set for the hearing at least 3 days in advance. Notice may be given in person, by mail or e-mail. Regardless of how or when given, if the accused is present at the hearing, notice will be presumed to have been sufficient. Notice may be given to a member; to a chapter president on behalf of the chapter; to an alumni association officer on behalf of the alumni association, or to the Executive Director or General Secretary on behalf of the General Fraternity.

D. Rights Of The Accused: The Accused has the following rights:

(1) The right to due notice.

(2) The right at a hearing or a trial to be heard, to present evidence, to hear the evidence against him, and to be represented by an advisor or counselor who shall be a member of the fraternity.

(3) The right to be present throughout the proceedings except when the chapter makes its decision.

(4) The right to appeal as provided herein.

(5) The accused may waive some or all of his rights.

(6) The accused must be notified of the charge against him.

SECTION 4: Trial by Chapter:

A. When Used: Trial by Chapter will be used when the Kai Committee determines the appropriate penalty to be expulsion or suspension for more than one year, Chapter XIII, Section 3, Part B.

B. Charges: The chapter must prepare the charges to be filed and forward those charges to the District Chief or Regional Chief for review in advance of presenting them to the accused. The chapter leadership will make arrangements for the District Chief or Regional Chief to host a call with the executive committee and those bringing charges to them as soon as practical. The District Chief or Regional Chief will counsel the members on the importance of accuracy, validity, and thoroughness of the charges, and other procedural issues worthy of their consideration. The chapter will then present the charges to the accused.

C. General Procedure: Due notice must be given to the Accused. At the time set for trial, the chapter, with a quorum present, must hear the charge against the Accused, decide whether the charge is true and fix the penalty upon a finding of guilt. The Accused may waive their right to such hearing by voluntarily admitting to the charges.

D. Role of Kai Committee: The Kai Committee shall organize and present the case against the Accused. The committee may not vote and will not be counted in the number needed to achieve a majority.

E. Admission of Charge: The Accused shall be given an opportunity to admit or deny the charges. If the Accused does not attend the hearing, after being given due notice, the chapter may consider the failure to appear as an admission of the charges. If the charge is admitted, the chapter will then set the penalty by a majority vote.
F. Order of Decision: If the Accused denies the charge, the chapter will consider the evidence and arguments presented by each side, and will then vote on the question of whether the charge been proved. If a majority of the chapter votes in the affirmative, the Accused stands convicted, and the chapter will then consider and decide the penalty to be imposed by majority vote. If not, the Accused remains not guilty.

G. Penalties: The chapter may expel the accused or impose suspension if found guilty based on the Kai Committee’s recommendation. If the chapter determines expulsion or suspension greater than one year is not appropriate, the matter will be referred to the Kai Committee to determine the appropriate lesser penalty.

H. Minutes Of The Trial: Minutes shall be kept of the proceedings of the trial summarizing the evidence presented. A copy of the Minutes must be provided to the District Chief, Executive Director, and the accused within 10 days of the trial.

SECTION 4: Hearing by Board of Trustees

A. Establishment of Review Committee: Rather than conducting a discipline matter directly, the Board of Trustees may establish a standing or ad hoc review committee of no less than 5 members in good standing to conduct disciplinary questions. The committee will investigate cases assigned to it by the Trustees and will make a ruling and apply any sanctions. The decision may be appealed to the Trustees.

B. Hearing Procedure: The procedure followed by the Board of Trustees or appointed review committee will be the same standard as the Kai Committee described in Chapter XIII, Section 3(C).

C. Penalties: The Board of Trustees or its committee may apply any sanctions including expulsion of membership.

SECTION 5: Appeals: The Accused may appeal either the finding of guilt or the penalty imposed, or both. Decisions of the Kai Committee can be appealed to the chapter. Decisions of the chapter are first appealed to the District Chief, then the Board of Trustees and then to the next General Convention. Decisions of the General Secretary are first appealed to the Board of Trustees and then to the next General Convention. If the hearing was held before the Board of Trustees, then the appeal is to the next General Convention. Any appeal to the Convention shall be treated as a committee item under Chapter I, Section 15.

A. How to Appeal: To appeal decisions of the Kai Committee, the Accused must give notice to the chapter president. To appeal decisions of the chapter, district chief or Board of Trustees, the Accused must give notice to the Executive Director, within the time limits herein provided, asking that the chapter, chiefs’ or Trustees’ decision be reviewed and stating the grounds for review. The Executive Director will direct the appeal to the District Chief, Board of Trustees or the next General Convention as the case may be.
B. **Time For Appeal:**

(1) **Kai Committee decisions:** The Accused will have ten days from the date of notice of the committee’s decision to appeal the decision.

(2) **All other decisions:** The Accused will have 90 days from the date of notice of the decision in which to appeal.

C. **Final Decision:** A decision is considered final once the time for appeal expires or when the appeal process has been exhausted.

D. **Appeals To General Convention:** Appeals to the General Convention shall be heard by the General Convention in accordance with such rules of procedure prescribed by the Board of Trustees; provided, however, (1) no member whose appeal is being heard be entitled to vote thereon, and (2) each member, shall be afforded reasonable opportunity of defense and representation by a member of the fraternity. Such decision shall not be subject to further appeal or reconsideration after adjournment sine die.

**CHAPTER XIV SCHOLARSHIP**

**SECTION 1. Scholastic Requirement for Initiation:** Every candidate for initiation into Beta Theta Pi must obtain, for the term immediately prior to his initiation, a grade point average of not less than the minimum average grades required for graduation by the school or college in which heis enrolled. This requirement may be waived or modified by the Board of Trustees upon a showing of undue hardship to the chapter involved.

**SECTION 2. Minimum Chapter Academic Standards and Assisting Procedures:**

A. **Minimum Chapter Academic Standard:** Each chapter shall maintain an academic average for the chapter, consisting of all the grade point averages of all the pledges and collegiate members, equal to or exceeding the All-Men’s Average (AMA) grade point for the campus. For those campuses who do not calculate an AMA, the minimum academic standard will be a 2.8 on a 4.0 grading scale or its equivalent for each calendar year.

B. **Reporting Chapter Grade Point Average:** The chapter (both pledges and collegiate members), shall report to the Administrative Office its overall chapter GPA within 30 days from the end of each grading period.

C. **Failure to Report as Failure to meet Minimum Standard:** Failure to report will constitute failing to meet the scholarship Standard Chapter Operating Expectation and will cause the chapter to be ineligible for associated chapter awards.

**SECTION 3. Minimum Member Scholastic Requirement:** Each member is required to maintain either a cumulative grade point average or achieve for the most recent grading period at least a 2.5 on a 4.0 grading scale or its equivalent. Any member who does not maintain the required average shall be required to enroll in an academic assistance program established by the chapter.
CHAPTER XV MISCELLANEOUS

SECTION 1. Purchase, Building, Alteration or Enlargement of Chapter Facility: No chapter or alumni organization of Beta Theta Pi shall enter into or proceed with the purchasing or building of a chapter house or the major alteration or enlargement of an existing chapter house until it shall have notified the Board of Trustees of its plans. (2) an accurate cost estimate;

STATEMENT of POSITION on INTER-CHAPTER VISITATION PROTOCOL

WHEREAS, Beta Theta Pi has survived nearly 150 years with 125 chapters across the United States and Canada; and,

WHEREAS, this relationship between our chapters could not have survived without the goodwill and respect for one another;

THEREFORE, BE IT RESOLVED, by the Miscellaneous Affairs Committee of the 148th General Convention in Asheville, North Carolina, August 18-21, 1987, that the following be adopted as inter-chapter visitation protocol:

1. There must be at least one week’s notice given by the chapter which is intending on visiting. The prospective host chapter has the right to denial of a requested visit if it feels unable to accommodate properly another chapter at such time.

2. If the requested visit is accepted, each chapter must designate one active member as its spokesman prior to the visit. Upon arrival, the visiting chapter’s spokesman must report to the host chapter’s spokesman, during which any ideas or further guidelines can be discussed and/or implemented.

3. A general itinerary of events for both chapters should be drawn up and exchanged prior to the visit. An effort should be made at this point to create an inter-chapter function which would promote good feelings between the chapters.

4. The visiting chapter is obligated to assist the host chapter in any appropriate activities which concern the interaction of the two chapters.

5. No demands may be made of the other chapter’s pledges.

6. Any problems or conflicts which arise during the visit must immediately be addressed through the respective spokesmen of the chapters.

7. At the termination of the visit, the spokesman must meet and assure that the condition of the host’s chapter house is the same as at the start of the visit. If the condition of the house is any worse at the termination of the visit, due to the actions of the visiting chapter, the visiting chapter must improve the condition of the house to the level at which it was at the time of its arrival.

8. If any problem remains unsettled between the chapters after the visit, the respective District Chiefs should be notified immediately, and due process will be taken.
STATEMENT of POSITION on LEGACIES

WHEREAS, Beta Theta Pi recognizes the value of a strong heritage of legacies to the further development of our chapters; and,

WHEREAS, a legacy is defined as any undergraduate related by blood or marriage to any Beta who has preceded him at any chapter of Beta Theta Pi; and,

THEREFORE, BE IT RESOLVED that the Committee on Miscellaneous Affairs at the 148th General Convention in Asheville, North Carolina, August 18-21, 1987, that all active chapters of Beta Theta Pi provide for a written statement of legacy policy which:

1. Provides for confirmation of legacy recommendations to the Beta who recommended the legacy.
2. Provides that any legacy be contacted and interviewed.
3. Provides that any legacy be invited to at least two rush events.
4. Provides a written notification to the referring alumni informing him of the chapter's decision.

FURTHERMORE, BE IT RESOLVED that the General Fraternity of Beta Theta Pi provide all chapters with a statement of General Fraternity guidelines on legacies and gather the names of legacies and provide forms to the President, Rush Chairman, Chapter Advisor and District Chiefs of each chapter.

FINALLY, BE IT RESOLVED that the existence of a legacy does not mandate an automatic bid, but rather, full consideration.
STATEMENT of POSITION on LITTLE SISTER ORGANIZATIONS

WHEREAS, there is a concern generated from the threat of increased liability to the individual chapters who have little sister organizations; and,

WHEREAS, there is a concern of exposure of mystic symbols and rituals to members of little sisters organizations; and,

WHEREAS, the possibility of women becoming members of Beta Theta Pi; and,

THEREFORE, BE IT RESOLVED by the Miscellaneous Affairs Committee of the 149th General Convention in Toronto, Canada, August 2-5, 1988, that the following positions are adopted and included in the General Fraternity's Statement of Position:

1. Beta Theta Pi will discontinue any little sister programs; and,

2. Beta Theta Pi chapters will cease all little sister rushing, ritual and pledging activities.

AND BE IT FURTHER RESOLVED, that Beta Theta Pi is solely a male organization and will operate as such.
STATEMENT of POSITION on DRUG ABUSE

The brothers of Beta Theta Pi are dedicated to building a fraternity based upon the core values of mutual assistance, intellectual growth, trust, responsible conduct and integrity. Understanding that substance abuse contradicts our fraternal values and prevents members from achieving their full potential, the brothers of Beta Theta Pi strictly oppose all forms of substance abuse. Substance abuse includes, but is not limited to, the use of illegal drugs, the illegal or irresponsible consumption of alcohol, and the use of prescription drugs in a manner contrary to their instructions or by someone to whom they were not prescribed.

Further, all chapters of Beta Theta Pi are encouraged to collaborate with their host institutions to educate members on the ramifications of substance abuse and develop effective prevention strategies.
STATEMENT of POSITION on EXCELLENCE IN CHAPTER HOUSING AND THE SAFETY OF MEMBERS AND GUESTS

WHEREAS, Beta Theta Pi is a leader in the fraternal community, and endeavors to provide a high quality membership experience; and,

WHEREAS, there is a vested interest to ensure that affiliated houses exist at the highest threshold of safety; and,

WHEREAS, we recognize that the environment in which our members live, study, and grow should be consistent with the values of Beta Theta Pi and the Men of Principle Initiative; and,

WHEREAS, Beta Theta Pi created the Cornerstone Housing Program in 2012 to provide education, support, insurance, and resources to our chapters and house corporations; and,

WHEREAS, our chapter leaders, volunteers and host campuses strive to provide a safe and desirable environment for our members and guests; and,

WHEREAS, industry statistics indicate that the most important safety enhancement we can make to our chapter facilities is to install a fire suppression system;

WHEREAS, installing a fire suppression system reduces the cost of property insurance, reduces the amount of property damage if a fire were to occur and essentially eliminates the risk of loss of life.

THEREFORE, BE IT RESOLVED, that the following be adopted by the Beta Theta Pi 177th General Convention as the position on safe housing protocol that:

1. It is in the best interest of chapter facilities to have a fire suppression system.
2. Undergraduate chapters connect with their Housing Corporation, Alumni Association and host campus to create an implementation plan to install a fire suppression system.
3. Undergraduate chapters that have the financial means to implement a fire suppression system should work with their alumni, advisors, and associated house corporation or host campus to install one in a timely manner.
4. Undergraduate chapters that do not have the financial means to implement a fire suppression system should work in conjunction with their alumni, advisors, House Corporation, the Cornerstone Housing Program, and the Beta Theta Pi Foundation to develop a fundraising plan, with the goal of installing a fire suppression system in a timely manner.

Adopted at the 177th General Convention (August 2016)
Beta Theta Pi Fraternity Risk Management Policy
Effective January 2018

Beta Theta Pi’s core values are:

- Mutual Assistance: Betas believe that men are mutually obligated to help others in the honorable labors and aspirations of life.
- Intellectual Growth: Betas are devoted to continually cultivating their minds, including high standards of academic achievement.
- Trust: Betas develop absolute faith and confidence in one another by being true to themselves and others.
- Responsible Conduct: Betas choose to act responsibly, weighing the consequences of their actions on themselves and those around them.
- Integrity: Betas preserve their character by doing what is morally right and demanding the same from their brothers.

To that end, this risk management policy is intended to help our members and volunteers live out Beta’s values and to promote the safety of our members and guests. Chapters should conduct regular education on this risk management policy and any campus policies and safety guidelines. It is the responsibility of each new member and member to know and follow these policies. We expect Beta chapters to work collaboratively with other student groups to plan safe events that comply with their risk management guidelines. In all cases where campus, IFC, other fraternity / sorority rules, or Beta policies differ, we expect members and chapters to follow the more restrictive policies.

For the purpose of this policy, “member” refers to broadly to all undergraduate Betas, including new members and initiated members. For the purpose of this policy, “chapter” refers to both colonies and established chapters, regardless of status.

What Defines a “Chapter Event”?
There are a variety of factors that may lead to an event being considered a chapter event. Generally, a “chapter event” is one that is:

- Planned with the knowledge and input from one or more executive officers.
- Listed on the chapter calendar.
- Paid for with chapter funds.
- Announced at chapter meeting or via official or unofficial social media associated with the chapter or individual pledge classes.
- Associated, intentionally or not, with the name or brand of Beta Theta Pi.

The event planning guide provided by Holmes Murphy has a useful checklist for determining if an event is a chapter event and step-by-step instructions for planning events. Beta does not require chapters to gain pre-approval of events unless required by campus or IFC rules. We strongly recommend that advisors be involved in event planning, including reviewing contracts, meeting with venue staff, and reviewing safety plans. Administrative Office staff are happy to consult on safe event planning practices as well.
Alcohol, Drugs, and Safe Event Planning

Our Fraternity believes in allowing every member to realize his full potential. Therefore, we believe that every member should make responsible decisions about alcohol use and the use of prescription or otherwise legal drugs. Each individual bears the personal responsibility to know and abide by federal, state, and local laws regarding alcohol and drugs; campus policies and rules; and Beta Theta Pi’s rules and policies.

1. The possession, use, sale, or consumption of alcoholic beverages, while on chapter premises or during a fraternity event, in any situation sponsored or endorsed by the chapter, or at any event an observer would associate with the fraternity, must comply with all federal, state, and local laws; campus policies and rules; and must follow either:
   a. BYOB, as defined by resources and education provided by Beta Theta Pi.
   b. Third Party Vendor Guidelines, as defined by resources and education provided by Beta Theta Pi.

2. No member can organize, encourage, or participate in drinking games, including any activity that requires drinking as part of the rules or phases of the activity. Examples include consuming shots equating to one’s age, beer pong, dares, “century club,” or any other activities involving the consumption of alcohol under duress or encouragement.

3. No members, individually or collectively, can purchase, serve, or sell alcoholic beverages to anyone under the legal drinking age.

4. No alcoholic beverages can be purchased with chapter funds, nor can the purchase of alcoholic beverages for members or guests be undertaken or coordinated by any member in the name of, or on behalf of, the chapter.

5. Bulk quantities or common sources of alcohol are not allowed (examples include kegs, cases, or large containers of mixed drinks). Kegs are only allowed at an event if the distribution and sale is managed by a licensed caterer and sold per drink to individuals (i.e., third party vendor).

6. Alcohol is not allowed in any part of these activities:
   a. Recruitment / rush.
   b. New member / pledge events or meetings.
   c. Chapter meetings.
   d. Any ritual events, including but not limited to:
      i. Induction.
      ii. Big brother / little brother ceremony or events.
      iii. Pre-initiation ceremonies, or events held during initiation week.
      iv. Initiation.
      v. Local ceremonies.

7. Proceeds of the sale of alcohol cannot fund fundraising or philanthropic events.

8. No chapter may co-sponsor, co-finance, or help plan a function at which alcohol is purchased by any of the host chapters, groups or organizations.

9. No chapter may sponsor an event with an alcohol distributor or bar / restaurant.

10. All events planned or sponsored by the chapter where alcohol is present must have a guest list (which must include chapter members) prepared in advance. The number of persons invited to any event sponsored or co-sponsored by Beta Theta Pi where alcohol is present is limited to three times the chapter size (a 3:1 ratio or 3 guests per member) or the maximum legal occupancy of the facility, whichever is less. Open parties are not allowed.
    a. Example: A 100-person chapter could have an event with 400 people maximum (100 chapter members + 3 guests per member (300 people)).
    b. Limited exceptions to this policy may be granted via written permission of the General Secretary at least 15 days in advance of the event. An example might be a smaller chapter hosting an event for their large alumni base where alcohol will be served.
11. Alternative transportation should be provided at every chapter event, especially those at which alcohol will be served. We strongly recommend using hired or third-party transportation. Designated driver programs are discouraged due to additional liability taken on by the driver and owner of the vehicle.

12. All events planned or sponsored by the chapter must use sober monitors, at the number or ratio of 1 per every 15 people in attendance. The sober monitors must refrain from drinking before and during the event and are there to help members and guests and the facility hosts, should assistance be needed. At least 1 chapter officer should serve as a sober monitor at each event.

13. Chapters cannot have live animals at chapter events. Limited exceptions to this policy may be granted via written permission of the General Secretary at least 15 days in advance of the event.

14. The possession, sale, distribution, or use of any illegal drugs or controlled substances while on chapter premises or during a fraternity event is strictly prohibited. This includes the abuse or distribution of otherwise legal drugs.

Hazing and Respectful Treatment

Beta Theta Pi believes in the inherent worth of all people and that dignity and respect are the inalienable rights of each individual. Therefore, there is no place for personal degradation within our membership. The founding values of Beta show us that every person is important and has value to offer our community; esteem for yourself and others is necessary for healthy relationships; and harassment, hazing, or bullying is detrimental to the full development of our Brothers. Beta supports the preservation of individual dignity and does not condone any activity or behavior that is inappropriate, destructive, demeaning, or abusive to any person or group.

Beta Theta Pi prohibits any activity that endangers the mental or physical health or safety of a person and is inconsistent with the values and ritual of Beta or the host institution. Each member bears the personal responsibility to know and abide by federal, state, and local laws regarding hazing; campus policies and rules; and Beta Theta Pi’s national and local rules and policies.

1. No chapter, colony, collegiate member, alumnus, or volunteer shall engage in hazing activities. Permission or approval by a person being hazed is not a defense. Hazing activities are defined as any action taken or situation created intentionally or through negligence to produce mental or physical discomfort, embarrassment, harassment, or ridicule. Such activities may include, but are not limited to: use of alcohol; forced consumption of alcohol or other food or beverages; paddling in any form; creation of excessive fatigue; physical and psychological shocks; quests, treasure hunts, scavenger hunts, road trips or any other such activities carried on outside or inside the confines of the chapter house; wearing apparel that is conspicuous and not normally in good taste; engaging in public stunts and buffoonery; morally degrading or humiliating games and activities; and any other activities that are not consistent with the values of Beta Theta Pi or the host institution.

2. Beta does not tolerate or condone any form of fighting or physically abusive behavior, in any situation sponsored or endorsed by the chapter. This includes philanthropy or fundraising events that involve boxing or fighting.

3. Beta does not tolerate or condone any form of sexist or sexually abusive behavior on the part of its members, whether physical, mental, or emotional.

4. Beta does not tolerate or condone any actions that are demeaning to other people, including but not limited to verbal or physical harassment.

5. Chapters and members cannot organize or participate in Little Sister programs (see The Code of Beta Theta Pi, Statement of Position on Little Sister Organizations).

6. Beta Sweetheart designations or awards should be given as a sign of respect and honor. People should not compete for, be required to do tasks, purchase items, or in other ways “earn” this honor.
7. Women should not be involved in recruitment or rush events, including employing women as servers or hostesses or in any other role. Reasonable exceptions include the presence of Friend of Beta advisors, campus professionals, and parents.

**Safety of Homes and Facilities**

Beta Theta Pi believes that our environment influences our actions and behaviors, and that chapters and house corporations should provide an environment that promotes academic success, personal respect, and the values of the organization. Our chapter homes, regardless of ownership, should be safe and desirable.

**What Defines a “Beta Home”?**

A house is considered an official Beta Theta Pi chapter house if it meets any of the following criteria:

- A reasonable observer would consider the house the “Beta House.”
- Chapter-sponsored events take place at the house, including but not limited to:
  - Recruitment / rush events.
  - New member / pledge events or meetings.
  - Executive or chapter meetings.
  - Social functions.
  - Philanthropy or service events.
- The house displays Beta Theta Pi insignia on the outside (e.g., Greek Letters, flag).
- The house is owned by or rented to the house corporation or chapter (versus landlord renting to individual tenants).

1. No chapter may own a pet or keep animals in the chapter facility.
   - Injuries and liability resulting from animals are the responsibility of the pet owner, whether they be a member or guest.
   - Exceptions to this policy for service or support animals should be directed to the local house corporation or campus officials.

2. The possession or use of fireworks or explosive devices in chapter facilities is prohibited.
   - The decision to allow firearms in a chapter facility is up to the local house corporation (or property owner / manager) and should be clearly outlined in the member lease or house rules. If allowed, firearms must be kept unloaded and locked in a storage area only accessible by the owner of the weapon.

3. Open flames are not allowed in chapter facilities. Chapters should use electric or battery-operated candles for ritual ceremonies.

4. All chapter facilities must meet local fire, health, and safety codes and be inspected / certified according to the standards of the local community, campus, and Beta Theta Pi’s insurance program.

5. All chapters must distribute and post emergency numbers for fire, policy and emergency services. Evacuation routes must be posted throughout the facility.

6. Chapters and house corporations must secure dangerous areas of the facility and provide regular education about facility safety. Examples include roof access, window ledges, fire pits, and balconies.
Filing an Incident Report
Members and chapters have a responsibility to promptly report all incidents where someone was possibly injured or damage occurred, including incidents that could result in campus or community media or an insurance claim. Prompt reporting often can prevent minor incidents from developing into major problems. The incident report is located on Beta.org.

Insurance Coverage
A description of the insurance coverage provided for members, officers, and volunteers is located on Beta.org. The purpose of Beta’s insurance coverage is to provide protection for members, officers, volunteers and staff for the course of their regular duties and responsibilities. No insurance policy provides coverage for violations of the law, and Beta’s is no exception. The key point to understand is that coverage applies when members: (1) comply with federal, state or provincial, local and institutional laws and regulations; (2) comply with the Code and policies of Beta Theta Pi Fraternity; (3) comply with the Beta Theta Pi Risk Management Policy.

Individuals who choose to violate these rules or act outside of the scope of their authority may void their protection under the Fraternity’s insurance program. Their actions may jeopardize other members, other organizations, or other named insureds protected by the Beta Theta Pi General Liability Policy. The individuals involved will be personally liable and must retain their own attorneys for defense.

The general liability policy is not a health insurance or accident policy for members. If a member is injured at a chapter event, he should notify his medical carrier and seek reimbursement of his medical bills. In addition, the policy does not cover personal property owned by members, even if they are living in a chapter house. Members should seek coverage through their parents' homeowners’ policy or obtain renter's insurance.

Code Authority and Revisions to the Risk Management Policy
Per the Code of Beta Theta Pi, the Board of Trustees is authorized to amend or modify these policies. Any change made outside of the scope of the General Convention must be distributed to all chapters and colonies within 30 days of the changes. Further, any changes made by the Board of Trustees expire at the following Convention, unless approved by said Convention.

Originally adopted in August 1987 and last modified on August 3, 2013, by the 174th General Convention. Formatting changes were made and links and explanations were added in January 2018.
CANADIAN EXCHANGE RATE
Adjustment of Chapter Accounts Receivable
as approved by Board of Trustees on August 7, 1994

On a quarterly basis effective September 1, 1994, the Administrative Office will review the Canadian exchange rate. All charges will be billed at the current fee rates for the Canadian chapters and in U.S. dollars. As directed by the Board of Trustees, the exchange rate will not rise above $1.25 Canadian of $1.00 U.S. Adjustments reflecting the variance between the actual exchange rate and the base exchange rate will not be made to chapter’s account until receipt of payment by the Administrative Office.

The method of payment, i.e. check, money order, bank draft, etc., must show the following:

1. rate of exchange and
2. date of purchase

Note: There will be no adjustment to the accounts receivable if the exchange rate is below $1.25 Canadian to $1.00 U.S.

Example: Today’s exchange rate is $1.31 Canadian = $1.00 US.
Limit Rate is: $1.00 U.S. = $1.25 Canadian

Current bill = $5,000 U.S.
This will be billed at $5,000 U.S.

Canadian chapters will be asked to pay $6,250 Canadian in U.S. dollars ($5,000 U.S. x $1.25 Canadian - $6,250 Canadian).

At the current exchange rate of $1.31 Canadian to $1.00 U.S., they would pay $6,250/$1.31 = $4,771 which $220 x $1.31 - $300 Canadian.
STANDARD OPERATING PROCEDURES FOR FINANCIALLY DELINQUENT CHAPTERS

Effective August 7, 1994, the Standard Operating Procedures for Financially Delinquent chapters was passed by the Board of Trustees on August 2, 1994, and endorsed by the 155th General Convention. A chapter's charter could be suspended if it ignores its General Fraternity financial responsibility. The procedure is outlined below.

First Delinquent Notice

If payment in full is not received within 30 days of the billing date, the Finance Department will notify all chapter officers, advisors and the district chief. The Administrative Office will recommend that the financial advisor or chapter counselor perform a financial review of the chapter and notify the Administrative Office of the result of the review and when payment will be received.

The delinquent chapter will incur the standard finance charge of 1.5% per month (The Laws of Beta Theta Pi Chapter XII, Section 2).

Second Delinquent Notice

If payment in full is not received within 60 days of the billing date, the Finance Department will notify each active member of the chapter (excluding pledges), all advisors and the district chief regarding the financial standing of the chapter with the General Fraternity.

The delinquent chapter will incur the standard finance charge of 1.5% per month (The Laws of Beta Theta Pi, Chapter XII, Section 2).

Final Delinquent Notice

If payment in full is not received within 90 days of the billing date, the General Secretary will suspend the chapter charter and transfer control over all financial matters to the alumni.

The General Secretary will direct the Executive Director to notify the university administration about the suspension of all chapter and individual privileges. Since the chapter is officially affiliated with the university and Interfraternity Council, the Greek advisor and/or the IFC should suspend all group privileges such as intramural competition, homecoming activities and social privileges.

The chapter shall employ an approved outside accounting firm to manage the chapter’s financial affairs including collections. The chapter will be responsible for signing the necessary contract(s) and paying the initial cost of this service. The chapter is required to continue to employ the firm for a period of no less than twelve months after establishing good standing with the General Fraternity.

The delinquent chapter will incur the standard finance charge of 1.5% per month (The Laws of Beta Theta Pi, Chapter XII, Section 2).
FRATERNAL FIFTIES PROGRAM

The Fraternal Fifty tradition was established by the 1927 General Convention to recognize members of the Fraternity who achieve the enviable status of being Betas for 50 years. For more than 60 years, this great tradition has continued with over 25,000 Betas having been so recognized. Each Fraternal Fifty member receives a card on which appears his full name, roll number, chapter and initiation date; and a gold embossed seal which is to be attached to the member's original Beta shingle. In addition, the chapter or alumni association can request Fraternal Fifty lapel pins for each member in attendance at the presentation from the Administrative Office.

FRATERNAL TWENTY-FIVE

At the direction of the 155th General Convention, the Administrative Office has designed a silver seal for presentation to alumni brothers upon their 25th year of membership in Beta Theta Pi. This seal is identical to the Fraternal Fifties seal, but in silver, with reference to “fifty” replaced by “twenty-five.” Fraternal twenty-five seals will be disbursed in the same manner as Fraternal Fifty seals. Alumni brothers will be instructed to place their silver seal in the middle of their membership shingle. Brothers reaching the fraternal fifty milestone would place their gold seal next to their fraternal twenty-five seal. Those brothers initiated in 1970 will be the first to be recognized in this manner. The seals will be available to other eligible Betas upon request.
