INTRODUCTION

The purpose of this manual is to give you an understanding of insurance coverage provided and information to properly report all actual and potential liability claims with which you may become involved.

The final responsibility for the success of the insurance program rests with Beta Theta Pi Fraternity entities. It is always important to remember that our first line of defense in liability matters is loss prevention, next is loss control, and the insurance contract is the final line of defense. The undergraduate and alumni members' willingness to understand and assume the responsibility of sound risk management practices is a cornerstone of our program.

If an incident or claim does arise, Beta Theta Pi's Administrative Office Staff and Holmes Murphy will oversee the effective handling of all incident and claim investigation. An online incident reporting form is available on the Beta Theta Pi website.

Holmes Murphy strives to provide risk management resources to complement the loss prevention and loss control efforts of its clients. Please visit www.holmesmurphyfraternal.com to review the Holmes Murphy website. You will find several risk management resources that can assist you in your daily lives as well as information on your insurance protection, and online forms for; purchasing property coverage, liability and property claim reporting and making requests for additional insured protection.

BETA THETA PI FRATERNITY

THE GENERAL LIABILITY INSURANCE PROGRAM

Starting with the 2017 – 18 academic year, Beta's liability insurance program will include a chapter sub-limit level that caps the potential loss related to chapter and undergraduate member liability at \$250,000 per occurrence. This strategy is in line with many of our interfraternal peers and has proven to have a positive impact on overall loss rates and, in turn, allows premiums to remain lower. More information about the change can be found at Beta.org > Resources > Cornerstone Housing Program.

The following description is a summary only and is not intended to serve as a substitute for the actual insurance contract.

Beta Theta Pi Fraternity's insurance program provides Blanket Public General Liability Coverage of \$250,000 per occurrence with a \$2,000,000 general aggregate per location for all participating chapters. (Types of coverage are included at the end of this section.)

The coverage is for bodily injury, property damage and personal injury. This protects the local undergraduate chapter, its officers and members from claims arising out of bodily injury and property damage occurring out of chapter operations. It also protects against claims arising out of libel, slander, false arrest, invasion of privacy, eviction from the premises, and consumption of food and beverages and incidental malpractice.

It must be understood that our coverage is for public liability. **It is not accident insurance covering members and membership selection candidate for injuries sustained on the chapter premises and/or in chapter activities.** Liability insurance is not a substitute for medical insurance. Furthermore, it is not Workers' Compensation insurance which may be required for Fraternity employees.

Primary Insurer:	Admiral Insurance Company
Policy Period:	June 1, 2017 to June 1, 2018
Policy Number:	CA000019475-04

Beta Theta Pi Fraternity Coverage includes:

- 1. COMMERCIAL GENERAL LIABILITY**
Covers liability arising out of Fraternity premises and operations.
- 2. PRODUCTS/COMPLETED OPERATIONS LIABILITY**
Covers preparation and consumption of food and beverages.
- 3. PERSONAL INJURY & ADVERTISING INJURY**
Covers libel, slander, defamation of character, false arrest, detention, malicious prosecution, wrongful entry or eviction, invasion of privacy.
- 4. CONTRACTUAL LIABILITY COVERAGE**
Under certain circumstances, the liability coverage of Beta Theta Pi Fraternity insurance contract is extended to protect other parties with whom a Beta Theta Pi Fraternity chapter may enter into a contractual agreement. No contract should be signed by any entity/chapter of Beta Theta Pi Fraternity without complete understanding of liabilities being assumed and insurance coverage, if any, that is provided. When any questions arise, please contact your chapter advisor or the Administrative Office staff of Beta Theta Pi Fraternity.
- 5. WATERCRAFT LIABILITY**
Covers hired and non-owned boats/watercraft providing it is less than 75 feet in length.

6. INCIDENTAL MEDICAL MALPRACTICE

Covers liability that arises against an insured chapter or an individual who provides emergency medical care for injuries on or off our premises.

7. HIRED AND NON-OWNED AUTOMOBILE

This applies to the situation when a chapter member, chapter employee, or volunteer alumnus driving his own car on fraternity business is involved in an accident. It is intended to only cover entities of Beta Theta Pi Fraternity and individuals not involved in the accident. The intent is not to provide auto liability coverage to those who are not prudent enough to purchase their own auto liability policy. The auto insurance of the driver or auto owner will be the primary insurance coverage.

8. DAMAGE TO PREMISES YOU RENT

\$1,000,000 damage to premises you rent. This is not a substitute for property insurance. Damage to Premises You Rent liability coverage provides coverage for liability arising against your Fraternity out of fire damage to non-owned premises rented for any period as well as other damage to premises you rent for 7 or less days.

9. WORLDWIDE COVERAGE

Coverage worldwide for suits brought in the United States.

10. HOST LIQUOR LIABILITY

Provides coverage when providing alcoholic beverages at no charge to those of legal drinking age. If you are found to be in the practice of manufacturing, distributing, selling, serving or furnishing alcoholic beverages, or if minors are involved, your coverage and protection is jeopardized.

Limits of Coverage

General Liability:

\$250,000 per occurrence

Self-Insured Retention: \$ 100,000 per Occurrence

Note: SIR payments will be funded by Beta Theta Pi General Fraternity.

Who *is* an insured?

The insurance coverage will pay claims for the following organizations and/or people:

- The local undergraduate chapter or colony that is chartered and recognized by the Fraternity **when it obeys the laws** of the institution, city, county, state and country in which it operates and the policies of Beta Theta Pi Fraternity. Undergraduate chapter officers, executive committee, committee chairman and members while performing the duties of elected or appointed positions within the organization.
- All volunteer advisors while performing the duties of their appointed or elected positions. Advisors have a higher coverage limit; see page 22 for details.
- The house corporation while the directors are performing their duties as corporate officers. House corporation volunteers have a higher coverage limit; see page 22 for details.
- Alumni Associations and chapter related educational foundations, its officers, and appointed volunteers while performing the services of their positions. These entities and volunteers have a higher coverage limit; see page 22 for details.
- The Alumni Advisors while performing the duties as advisors. These volunteers have a higher coverage limit; see page 22 for details.

Who is *not* an insured under this policy?

- A. Any individual member, alumnus, trustee or advisor who is performing tasks outside of his responsibility (i.e. spontaneous social function planned by an individual member, chapter advisor consuming alcohol with undergraduates, hazing of members, etc...)
- B. Any member who's illegal or intentional actions result in death or injury to an individual or property damage.
- C. Members' parents or family members and guests of chapter members.
- D. College/University administration (see Adding Additional Insureds below).

Adding Additional Insureds

Additional Insureds may be added to this policy. Additional Insureds may be your landlord, college, university and/or proprietor from whom the chapter may be renting property for a special event.

Please submit the Additional Insured Request Form found in the Appendix of this manual, at least (30) thirty days prior to the date it is needed, to:

Beta Theta Pi Fraternity Administrative Office
5134 Bonham Rd
Oxford, OH 45056

Contact: Anne Emmerth, Director of Chapter Services, anne.emmerth@beta.org, 800-800-BETA

You may also fax the form to (513) 523-2381. Upon review and approval of the Additional Insured request by Beta Theta Pi Fraternity and the insurance carrier, a certificate of insurance will be issued by Holmes Murphy, with the original forwarded to the Additional Insured and a copy to the Administrative Office.

Proper function planning is critical to completing any Special Event in a safe manner! Please utilize the enclosed Special Event Checklist to assist with your event planning.

What Does Our Coverage *Not* Include?

- A. Any claim of bodily injury and/or property damage from an incident resulting when:
 1. An illegal act was committed.
 2. An intentional act was committed.
 3. A contract made by the chapter is broken.
 4. There is any discharge, release or escape of smoke, vapors, soot, fume, acids, toxic chemicals, etc. upon land, the atmosphere or any water course or body of water.
 5. An employee is hurt on the job. Workers' Compensation coverage must be purchased.
- B. Any claim of property damage to property owned by, rented by, used by, or cared for by the chapter. For example, the chapter rents a portable generator for an outdoor function, and while it is in the care, custody and control of the chapter, it is damaged and the lessor holds the chapter responsible and liable. No coverage is available under Beta Theta Pi Fraternity's liability insurance contract. The only exception would be a premise rented for 7 or less days in which the "\$1,000,000 Damage to Premises You Rent" limit would apply.

Legal and Illegal Activity

Simply stated, no insurance policy in the world provides coverage for violations of the law. Beta Theta Pi Fraternity's insurance program is no exception to this rule. The key points to understand are:

- Compliance with federal, state, local and institutional (college or university) laws and regulations is required.
- Compliance with all regulations and policies of Beta Theta Pi Fraternity is required.

Those individuals who choose to violate these rules may void the protection for themselves under Beta Theta Pi Fraternity's insurance program. The following brief examples are intended to provide illustration and do not represent legal advice.

- A. With the broad awareness of its membership, the chapter serves alcohol to a minor in violation of the law at a chapter sponsored function. In the event of an injury, claim or lawsuit, those persons found to be in violation of the law and/or Beta Theta Pi Fraternity (in this case the entire chapter) most likely would be without insurance protection. The other named insureds would be protected (e.g. General Fraternity or volunteer alumni).
- B. Two of the members of a 65-man chapter cause injury to someone in connection with a hazing incident. This activity was unauthorized and done secretly without the knowledge of the chapter, and strictly against chapter policy. In the event of an injury, claim or lawsuit, those persons (in this case, the two members) found to be in violation of the law and Beta Theta Pi Fraternity would be without insurance protection. The chapter, its officers and other volunteers would be protected.

Great effort has been made to ensure coverage will be provided to those individuals and entities exposed to claims. The intent is to provide coverage for claims that arise from ordinary negligence. Chapters and chapter officers are protected from the unauthorized actions of individuals. Chapter advisors are protected from the unauthorized actions of their individual chapter members and the chapter as a whole, as are the chapter foundations (e.g. chapter educational foundation) and all other appointed alumni volunteers involved with the Fraternity.

SPECIAL EVENTS

In general, Special Events sponsored by a Chapter are covered under the general liability policy.

Poorly planned Special Events (e.g. social functions) are the usual cause of injury to our members and their guests. Proper planning is critical to the success of the event, avoiding injuries and controlling the costs of insurance protection.

We encourage Alumni Advisors and other volunteers be engaged with the undergraduate chapters in the proper planning of Special Events. A Special Event Checklist is included in the Appendix of this manual. If the form is utilized and all sections are addressed, the guidance provided by the Checklist can do a great deal to help avoid an injury from occurring.

Special Note:

Whenever chapters or members are transporting special event attendees, **personal vehicles should not be used.** Chapters are encouraged to engage a licensed third-party transportation vendor who will provide professional drivers. The transportation company assumes liability during the ride and removes the responsibility and risk from Beta Theta Pi Fraternity.

SAFE TRANSPORTATION RECOMMENDATION FOR CHAPTER FUNCTIONS

Liability exposure continues to be one the biggest challenges facing men's general fraternal organizations. In fact, the exposure threatens the continued existence of many organizations. Beta Theta Pi Fraternity recognizes this and is attempting to provide the broadest general liability coverage available to us; however, we cannot do it without the support of the entire organization. It is important that sound risk management practices endorsed at the National level are implemented and strictly followed at the chapter level.

The safe use of automobiles is critical to the wellbeing of all Beta Theta Pi members.

Effective immediately, we request that each local chapter and/or colony implement a policy eliminating the use of:

1. Members' vehicles for transportation of members and guests from fraternity functions in programs such as the designated driver.
2. Leased or rented vehicles operated by members to transport members and guest from fraternity functions.

We understand that each of the above referenced precautions is done with the best intentions; however, for numerous reasons, they have not produced the intended results. The only acceptable and safe alternative is using professional transportation services.

Outlined below is one of many examples of how a good intention can turn into a tragedy:

A local chapter of a national fraternity in Oregon held an off-premise social event. To provide a safe and fun environment, the chapter rented a 15-passenger van to transport members and guests to and from the location of the event. During one of the return trips, the sober member who was driving the van lost control and struck a telephone pole. The result was one passenger fatally injured and one seriously injured. Litigation soon followed and a substantial settlement was paid out on the claim.

From the description of the measures taken it would appear that everything was done correctly, so what went wrong?

- The driver of the vehicle was unfamiliar with the van. Think about the times you jumped into a friend or family member's vehicle and searched for the light switch, the air conditioning controls or how to dim the lights.
- The driver was not a professional driver; while he might have been sober, his passengers were not. Dealing with the distraction of passengers can be difficult, even for professional drivers.
- The General Liability Hired and Non-Owned Auto Coverage afforded under the national fraternity's liability policy was immediately put into play due to the rental company and driver's insurance having insufficient limits to pay the entire amount of damages.

Due to situations such as this, we are requesting only professional drivers and transportation be utilized. This is just one example. Unfortunately, we could fill page after page with similar tragedies. We recommend the following requirements for any selected vendor employed to provide transportation to members and guests:

- Commercial Auto Insurance that provides coverage for transporting people and property for a fee.

- Commercial Auto Insurance that provides, at a minimum, primary coverage of \$1,000,000 combined single limit for bodily injury and property damage.
- A professional driver who has a valid commercial vehicle operator's license in the state in which the driver is located.

By working together to consistently meet these standards, we will be providing safe transportation that all previous measures had failed to accomplish and, together, we will be reducing the exposure to our brothers, chapters and the General Fraternity. This is an ultimate win-win situation we all want to achieve.

LAWSUITS

There will be occasions when lawsuits may be served on a member of your chapter. As there is only a limited time to answer a lawsuit, the following procedures apply:

- a. Treat any potential or actual claim or lawsuit as a high priority item and immediately notify the Administrative Office by phone.
- b. Complete the incident report found at <https://my.betathetapi.org/ors/incident-report.aspx> within 24 hours of the incident.

GENERAL LIABILITY CLAIMS

General Liability claims can be numerous and usually arise out of activities of a chapter that cause bodily injury, property damage or personal injury to an individual. They will more than likely involve damage or injury to someone other than an employee or an officer of the Fraternity.

While on the scene, if possible, get names, addresses and phone numbers of all parties involved, as well as any witnesses to the accident. Immediately complete the online incident report form and submit within 24 hours.

What should be reported?

Report bodily injury of anyone other than an employee and any property damage for which there is the possibility a claim may be made against Beta Theta Pi Fraternity. Complete the enclosed incident reporting form which will provide the needed information regarding the claim. If you question whether to report a potential claim, **report it!** Reporting a potential claim does not necessarily mean repercussions for the chapter. It is always best to report a potential incident.

It is imperative all losses or incidents be reported immediately to Beta Theta Pi Fraternity (see phone numbers and address below). The Director of Operations of Beta Theta Pi Fraternity is responsible for providing the initial report of the claim to Holmes Murphy (see phone numbers and address below). Once the claim report is sent to Holmes Murphy you will likely be contacted directly by them or an insurance company representative to discuss the incident. If you are unable to obtain all necessary details when first notified of any incident, still report any known facts.

Success or failure of the Beta Theta Pi Fraternity insurance program and our ability to obtain reasonably priced insurance is contingent upon accurate and timely reporting. It is incumbent upon you as a member of Beta Theta Pi Fraternity to report all known facts regarding bodily injury, property damage, or personal injury arising out of Beta Theta Pi Fraternity activities in a timely manner.

Directors & Officers Liability Coverage

The General Fraternity's Insurance Program of Beta Theta Pi offers Directors' and Officers' coverage to all Undergraduate Chapters, House Corporations, Alumni Associations and Chapter Educational Foundations. Directors' and Officers' Coverage protects all Directors, Officers, Volunteers and the Entity for claims arising out of the failure or negligence in carrying out your fiduciary duties of diligence, obedience and loyalty to the organization that you serve as a Director and/or Officer. Claims covered under a Directors' and Officers' Liability Contract are claims for financial injury and not bodily injury or property damage of a third party that are insured by the General Liability Coverage of the Fraternity. In addition, the Directors' and Officers' Liability Coverage of the Fraternity provides Employment Practices Liability Coverage that protects the Undergraduate Chapter, House Corporations, Alumni Associations and Chapter Educational Foundations from claims arising out of allegations of Discrimination, Harassment or Wrongful Termination arising in an employer/employee relationship. These claims are not insured by the General Liability or Workers Compensation Coverage of the Chapter/Alumni and Volunteer Corporations.

Overview of the coverage is as follows;

Insurance Carrier:	RSUI Indemnity Company.
Policy Term:	June 1, 2016 to June 1, 2019
Policy Number:	NHP667845
Limit of Coverage:	\$1,000,000 Sublimit for Affiliates
Retention/Deductible:	\$5,000 Each and Every Loss for Undergraduate Chapters, Alumni or Volunteer Corporations \$15,000 for Employment Practices

Note: Only one Retention/Deductible will need to be satisfied for a claim involving the National Fraternity and any Undergraduate Chapter, House Corporation, Alumni Association or Chapter Educational Foundation.

Note: Please make certain to report any potential claim immediately as the D&O policy is a claims-made policy. Also, according to the provisions of the Directors & Officers Liability policy, defense cost incurred by the insured or settlements made without the prior written consent of the Insurer will NOT be covered under the policy. If defense counsel is hired by an insured without prior approval from the insurance carrier, there is no guarantee all charged fees will be paid as part of the claim.

OPTIONAL INSURANCE COVERAGE

Cornerstone Property Insurance Program

Beta Theta Pi's *Cornerstone* Housing Program offers competitive property insurance rates through a shared property pool that's open to participation for any Beta house corporation. House corporations that don't own a facility but need to purchase property or contents insurance also can participate. Generous discounts are given for life safety devices and safe practices such as:

- Hard-wired smoke alarms
- Sprinkler system
- Recent renovations / more modern properties
- Live-in house director

The *Cornerstone* property insurance program provides all risk coverage insuring the building / facility, contents owned by the house corporation, business income (loss of rent), extra expense, and equipment breakdown coverage. This insurance does NOT cover the personal property of chapter members or employees living in the facility; the house corporation should educate the chapter on the importance of purchasing their own renter's insurance or checking their family's homeowners' insurance to see if coverage applies.

In addition to property insurance, the *Cornerstone* Housing Program offers resources, support, education and joint purchasing power to participating house corporations. The Cornerstone Housing Summit is offered each year in conjunction with Beta Theta Pi's convention; learn more at www.betathetapi.org.

Where can I learn more about *Cornerstone*?

Learn more about the Cornerstone Housing Program and the property insurance program at www.betathetapi.org > Resources > Cornerstone Housing Program or by contacting the Director of the Cornerstone Housing Program at the Administrative Office (800-800-BETA).

Workers Compensation Coverage

The Insurance Program of Beta Theta Pi does not provide Workers Compensation Coverage for chapter employees. It is the duty of each house corporation to make certain they are familiar with their State laws and requirements to carry Workers Compensation Coverage for employees of the Chapter.

Each State provides a State Assigned Risk Pool that can insure the Workers Compensation exposures of the Chapter. The State Assigned Risk Pool can be accessed by contacting a local insurance agent or Holmes Murphy, your insurance broker, to obtain coverage. It is important to note that in addition to payrolls paid to a chapter cook and housemother, subsidized housing provided to chapter members in exchange for service in a position (i.e. house manager, kitchen steward, chapter officer) is also considered payroll and if injured, the individual likely has the right to recover damages under the Workers' Compensation laws of your State. We will work with you to help you place this coverage only if we also place the property coverage for your location.

DEFINITIONS

Certificate of Liability Insurance: This is a certificate issued by the insurance company detailing the particulars of the insurance coverage in place for all chapters and regions under the general liability policy. This certificate may be used to document the existence of coverages for chapters and regions. This document is not sufficient when a third party requests a certificate where they are named as an additional insured.

Certificate of Liability Insurance for an Additional Insured: This is a certificate issued by the insurance company detailing the particulars of the insurance coverage in place for all chapters and regions under the general liability policy. This document specifically identifies a third party as being expressly covered under the general liability policy for a specified period of time (i.e. an additional insured). This form of insurance certificate is often requested by facilities where chapters or regions are planning to hold events.

Special Event: Events other than those where Fraternity business is the primary purpose of the meeting are considered Special Events. In general, all special events are covered under the general liability policy. However, there are specific events that have been deemed to be high risk. When these sorts of events are planned by chapters, approval from the National Headquarters must be sought 30 days prior to the event date (See Special Events section in the manual).

General Liability Insurance: Coverage that pertains, for the most part, to claims arising out of the insured's liability for injuries or damage caused by ownership of property, manufacturing operations, contracting operations, sale or distribution of products, and the operation of machinery, as well as professional services.

Directors' & Officers' Liability Insurance: Offers directors and officers protection from personal liability and financial loss arising out of wrongful acts committed or allegedly committed in their capacity as officers and/or directors.

Aggregate Limit: A limit in an insurance policy stipulating the most it will pay for all covered losses sustained during a specified period of time, usually one year. Aggregate limits are commonly included in liability policies and apply per chapter location.

Occurrence: An accident, including continuous or repeated exposure to substantially the same general, harmful conditions.

Claim: An incident where the injured party is making a demand for compensation under the terms of an insurance contract.

Incident: An occurrence involving bodily injury to a member or guest that does not result in a formal claim. All incidents must be reported when discovered due to possibility of them becoming a claim

Bodily Injury: Injury to the body, sickness or disease sustained by a person, including death resulting from any of these at any time

Property Damage: Physical injury to tangible property, including all resulting loss of use of that property. All such loss of use shall be deemed to occur at the time of the physical injury that caused it; or Loss of use of tangible property that is not physically injured. All such loss of use shall be deemed to occur at the time of the "occurrence" that caused it.

THE GENERAL LIABILITY INSURANCE PROGRAM

The following description is a summary only and is not intended to serve as a substitute for the actual insurance contract.

Beta Theta Pi Fraternity's insurance program provides Blanket Public General Liability Coverage of \$6,000,000 per occurrence with a \$17,000,000 general aggregate per location for all house corporations, alumni associations, chapter advisors, chapter related educational foundations, and their appointed volunteers, officers and directors. The coverage is for bodily injury, property damage and personal injury. This protects the house corporations, alumni associations and chapter related educational foundations from claims arising out of bodily injury and property damage occurring out of organization operations. It also protects against claims arising out of libel, slander, false arrest, invasion of privacy, eviction from the premises, and consumption of food and beverages and incidental malpractice. (Types of coverage are included in the General Liability section.)

It must be understood that our coverage is for general public liability. **It is not accident insurance covering members and membership selection candidate for injuries sustained on the chapter premises and/or in chapter activities.** Liability insurance is not a substitute for medical insurance. Furthermore, it is not Workers' Compensation insurance which may be required for Fraternity employees.
