

Advisor Self-Evaluation

Instructions: Please answer the following questions as they relate to your role as an advisor and member of the advisory team.

Relationship Building	Yes	No
I attend executive board and chapter meetings regularly.		
I meet regularly with my advisee.		
I know and have a working relationship with all members of the Executive Board.		
I have conversations with my advisee about things other than his position or chapter business.		
I attend chapter events on a regular basis.		

Effective Communication	Yes	No
I can articulate the vision, mission and values of Beta Theta Pi.		
I respond to emails, phone calls and inquiries promptly.		
I effectively share my perspective and thoughts in a non-confrontational manner.		
I am open and honest with my advisee – offering both positive and constructive feedback on a regular basis.		
I serve as an active liaison between the advisory board, house corporation & chapter/advisee.		

Leadership	Yes	No
I search for opportunities to challenge the status quo and look for innovative ways to improve the chapter.		
I provide vision and inspire others to the possibilities for the future.		
I exhibit mutual respect in a way that fosters collaboration and empowers other to feel capable and powerful.		
I celebrate the accomplishments (operational and personal growth) of the chapter and its members.		
I consistently role model behavior that is consistent with the principles of Beta.		

Student & Organization Development	Yes	No
I effectively implement the concept of challenge & support in my advising.		
I understand principles of group development and can identify how they impact this chapter.		
I actively facilitate discussions that are grounded in helping students develop their leadership, critical thinking and interpersonal skills.		
I keep current on issues impacting fraternities both nationally and locally.		
I understand how to effectively coach students on making change.
