

LEAVING A LEGACY FOR THOSE WHO FOLLOW

The Bridge Builder Society recognizes those who have chosen to leave a legacy for the future of Beta Theta Pi through their will or estate plans. These

loyal brothers and friends have followed the example set by the “old man” who builds the bridge for the young man who will follow after him.

As the parents of young children, we want our kids associated with people and organizations that align with our family's values. When Betas live their values, great things happen! We support the BLF because our gifts are connecting young Betas to the vision of our founders - building authentic, lifelong relationships among men. Beta's results tell a convincing story, and we are proud to give back because we are the products of our Great and Good Fraternity in action.
