Doug G. Houser, *Willamette '57*, was born on July 11, 1935. He attended Willamette University and was initiated into the Gamma Sigma Chapter on May 3, 1964, as Roll No. 246. He earned his law degree from Stanford, where he served as president of the law school student body.

Houser began volunteering for Beta in 2007 as an appointee to the Foundation Board of Directors. Two years later, he assumed the role of Foundation Board chairman, leading in the formulation phase of Beta's eventual \$20 million Promises to Keep Capital Campaign.

In 2011, he was elected to a three-year term as General Fraternity President on the Board of Trustees. He currently sits on the Fraternity's Advisory Council and remains an active supporter of his Gamma Sigma Chapter.

Professionally, Houser serves as senior partner at the law firm Bullivant Houser Bailey, where he has worked since 1961 following discharge from the U.S. Army. His industry awards and achievements are abundant, arguably most notable being his long-held role on the Board of Directors for Nike, Inc., which he incorporated and for which he served as general counsel for many years.

His community service has included serving the Episcopal Church as senior warden of his parish, a member of the Board of Directors of the Episcopal diocese, and a vice chancellor of the diocese, as well as serving on boards for the Eagle Scouts, Salvation Army and Waverly Children's Home.

Doug and his wife, Lucy, reside in Portland, Oregon.
