

2019 PARTICIPANT INFORMATION PACKET

Please read and review all three sections carefully.

The award-winning Miller Nichols Chapter Presidents Leadership Academy provides an opportunity for all chapter and colony presidents to visit the Fraternity's founding site in Oxford, Ohio. What follows is three days of intense leadership training and networking with other undergraduate presidents. This program concentrates on personal and chapter leadership.

Presidents learn to become more effective leaders, develop personal officer goals and design a framework for chapter success. The curriculum also includes reviewing Standard Chapter Operating Expectations and networking with top university professionals, General Fraternity volunteers and Administrative Office staff.

The Presidents Academy was named and endowed by the Miller Nichols Charitable Foundation in memory of Miller Nichols, *Kansas '33*. This year in conjunction with the Miller Nichols Chapter Presidents Leadership Academy we will also be bringing in our Spring 2019 Son of the Stars New Member Orientation Pilot Chapters. We will be bringing in over 20 Vice Presidents of New Member Education in order to train them in Beta's standard new member orientation program.

3. FREQUENTLY ASKED QUESTIONS

What is the purpose of Presidents Academy?

Presidents Academy will develop chapter presidents both personally and as leaders of our Great and Good Fraternity. Bringing our presidents together each year will provide a consistent wave of leadership throughout Beta's Broad Domain and help our presidents answer the call of principled leadership.

What is the Presidents Academy Attendance Policy?

The Presidents Academy policy allows for only elected chapter presidents to attend. Presidents must be present the entire time, and they must attend all sessions. **Arriving at the Marriott Hotel late (after 1:00 p.m. on Friday) or leaving the hotel early (before 1:00 p.m. on Sunday) is unacceptable. Failure to adhere to this attendance policy will result in being charged the full registration fee of \$575. This fee is due in full upon failure to attend the event or if a cancellation is received after the pre-determined cancellation date. NO PAYMENT PLANS WILL BE OFFERED.**

What is the Son of the Stars Training Attendance Policy?

It is expected that the Vice President of New Member Education are the only participants. They must be present the entire time, and they must attend all sessions. Due to the Fraternity investing so much in you being here, it is expected that you respect that investment and are in attendance to all sessions.

What will we be doing at Presidents Academy?

The curriculum was developed to maximize our time together in Ohio and to capitalize on the knowledge you, as well as your peers and facilitators, bring to the table. Sessions will focus on leading as chapter president, gathering and solidifying support for you and the chapter, effectively utilizing the resources available to you as a means to strengthening the chapter, learning more about the General Fraternity, and setting goals for yourself as chapter president.

What will we be doing at Son of the Stars Training?

Son of the Stars training is designed to prepare you to execute the Beta Standard New Member Orientation program. Throughout the weekend you will get an in-depth review of how the program is laid out, how to utilize the resources, and how to better facilitate the discussions. You will work in small groups and large groups while being properly trained on all facets of the program.

I see that the weekend being held in Cincinnati. Will we have the opportunity to visit Oxford?

Yes! We realize the importance of visiting Oxford while being so close to the Fraternity's birth place. Thus, we will be taking a trip to Oxford on Saturday of Presidents Academy, and you will have ample time to experience Oxford.

What is the cost of Presidents Academy?

Thanks to the Miller Nichols Charitable Foundation, presidents are only responsible for a \$99 non-refundable fee. Each president is responsible for travel to and from the [Cincinnati Airport Marriott](#). All meals (except for Friday lunch prior to event kick-off) and lodging will be covered. **Please note if you fail to attend after registering or cancel your registration after the cancellation deadline (12/28/18) has passed you will be charged the full \$575 cost of attendance. This must be paid in full upon cancellation or absence from the event.**

What is the cost of the Son of the Stars Training?

Son of the Stars participants will have the event covered for them in full. However, because of the investment that is placed into you being at the program it is expected that you respect this investment

and are present at all sessions.

Why is Presidents Academy in January?

The majority of Beta chapters have elections in late fall. The timing was chosen with the intent of bringing presidents together early in their terms of office. Strategically, all presidents will come together every six months (at the General Convention and at Presidents Academy). Also, Keystone Regional Leadership Conferences will follow Presidents Academy in February.

Our chapter is very busy in early January with recruitment, not to mention that I have academic responsibilities. How can I possibly attend?

Start planning for Presidents Academy and Son of the Stars weekend now! Communicate the details to your chapter's leadership, Fraternity/Sorority advisor and Dean of Students. Most universities will allow an excused absence for Beta Leadership Development events, as long as you communicate with the proper constituents far enough in advance. We can provide information to your university to help get your absence excused. Past presidents would say that your attendance at Presidents Academy will greatly impact you and your chapter far beyond being present for chapter recruitment if they happen to overlap.

We have elections in late spring, after Presidents Academy. Can our president still attend? What about our Vice President of New Member Education?

Yes! Every chapter president is expected to attend Presidents Academy regardless of when elections occur. If at all possible, we strongly encourage chapters to adjust the timing of elections for each new president to fully take advantage of this opportunity. The same applies to the Vice President of New Member Education. It is necessary to have them trained in order to fully benefit from the program.

Who should I expect to meet at Presidents Academy and Son of the Stars training?

Along with the top undergraduate leaders of the Fraternity, presidents and new member educators will meet and interact with North America's top fraternity/sorority university and leadership professionals, as well as the Fraternity's premier volunteers and General Fraternity Officers.

What should I bring to Presidents Academy/Son of the Stars training?

All of the program materials will be provided to you onsite. Attire for Friday and Saturday is business casual (no jeans or T-shirts) so we would recommend khakis and a collared shirt or sweater. On Sunday you may wear jeans and a sweatshirt or similar given that it is a travel day. It will be cold in January, so you will also need to bring a winter coat and gloves and will want to be prepared to dress appropriately for our Saturday trip to Oxford. **You will also need to bring your laptop for our Sunday activities** (if you do not have access to a laptop, please email [Cody Hike](#) to make alternate arrangements).

What happens if I can't attend Presidents Academy?

If you can't attend Presidents Academy, then please send your VP of Brotherhood. If you are not able to attend, it is expected that you communicate that to your chapter counselor, district chief and leadership consultant. For Vice Presidents of New Member Education, it is recommended that you send a member of your committee to the program.

I've registered, but now I can't attend. What is the cancellation policy?

If you need to cancel please contact [Cody Hike](#) before **December 28, 2018**. The \$99 that you paid at the time of registration is non-refundable. **If you cancel after December 28, 2018 you will be responsible for the full registration fee of \$575 (this fee will be charged to the credit card you used to register with and will be charged in full. We do not offer payment plans).**

For Son of the Stars training it is expected that you respect the investment that the fraternity placed on you being there by sending a replacement. Please let [Cody Hike](#) know if you are cancelling before December 28, 2018 and have a replacement ready by then.

I have an online exam or assignment due during the weekend. Is there internet access? The hotel does provide internet access available for purchase. If you need internet you must be prepared to purchase access on your own. However, you will not be excused from sessions to take an exam or complete/submit an assignment. Please make arrangements with your professor regarding any online class work prior to your arrival at the Marriott.

I can't get to Presidents Academy or Son of the Stars training until after the designated time on Friday. What should I do?

The Presidents Academy policy states that all presidents must arrive by the designated time and must attend all sessions. As well, for the Son of the Stars training it is completely necessary to have you there for all sessions. Presidents are strongly encouraged to do everything in their power to arrive on time. Of course, day of travel issues and delays are understandable and those that have flight delays or driving issues should just do their best to arrive as quickly – and safely – as possible. Please communicate any travel delays immediately to [Cody Hike](#).
