GENERAL INFORMATION

What is General Convention?

Beta Theta Pi's General Convention is the Fraternity's annual reunion where the Beta family cultivates new and old relationships, celebrates individual and chapter achievements and inspires attendees to continue to live Beta's values. Leadership College and various general sessions provide enriching educational experiences, while our chapter delegates, Fraternity Trustees and Foundation Board conduct the business of the Fraternity.

When is Convention?

Beta's 180th General Convention will be held August 1-4, 2019 in Oxford, Ohio.

Where will it be held?

Convention will be held at Miami University.

What is the schedule for Convention?

Every day of Convention includes time for legislation, celebration and education. An overview schedule is located on Beta Theta Pi's website. Check back periodically for updates, as we'll be adding more details throughout the summer.

Who goes to Convention?

Everyone is invited! Alumni, family and guests are invited to attend all of Convention or just a few events as their schedules allow.

CONVENTION REGISTRATION

How do I register?

Everyone coming to Convention needs to register online by visiting Beta's [Convention website](#).

What does it cost?

In February 2019, your chapter president selected a "package" – a set price for a certain number of people coming to Convention on behalf of your chapter. This package number includes all undergraduates, chapter advisors and house corporation volunteers. Chapters were billed for their package on March 1, 2019. If you're unsure which package you selected, ask your treasurer to check the March statement. If you're still not sure, call 800.800.BETA and ask to speak to someone on the Convention team. The package indicated the number of people your chapter is sending to Convention. Now you need to register actual people to fill those slots.

| Package Selection | Total Package Cost | Cost Per Extra Attendee |
|-------------------|--------------------|-------------------------|
| Delegate Only (1) | \$749 | \$550 |
| 2 people | \$1,100 | \$550 |
| 5 people | \$2,250 | \$450 |
| 10 people | \$4,000 | \$400 |
| 20 people | \$7,500 | \$375 |

- If you register fewer people than your package, you will not get a refund. So, it's important to fill every one of those slots.
- If you register more people than your package, that's great! The chapter will be billed for those extra people in September. This table shows what your original package cost and what bringing extra people will cost:
Additional fees are in the table below. If you are bringing family or guests, please refer to the FAQ document for "Alumni and Guests."
- If you are participating in the Son of The Stars: Beta's Member Orientation Program training, your 2 delegates (VP of Education/VP of Education Advisor) should NOT be included in your package selection. SOTS registration is separate and free of charge.

The longer you wait to register, the more it costs. Registrations that occur after 4/15 and 6/29 will incur an additional fee charged to the chapter.

| | Before April 15 | 4/15-6/29 | 6/29-7/3 |
|---|-----------------|------------------------|-------------------------|
| Delegates & Leadership College Participants (all undergraduates) | package pricing | package pricing + \$25 | package pricing + \$100 |
| Advisors | package pricing | package pricing + \$25 | package pricing + \$100 |
| House Corporation Volunteers | package pricing | package pricing + \$25 | package pricing + \$100 |

When is the “really final” registration deadline?

As you can see in the table above, there are various registration deadlines. The FINAL day to register online is **June 29, 2019**. Space permitting, you can call the office to register from June 29-July 3, but extra fees will apply. We strongly recommend that you register early in the summer.

What does my registration include?

Your registration fee includes meeting expenses, many of your meals (at least one per day), and a shared dorm room (see next page).

What if I have special needs or dietary restrictions?

During the online registration process, you can indicate special needs, ADA or dietary restrictions. We will do our best to work with the hotel to meet those needs. Please be aware that our banquet locations are not full-service restaurants – please limit dietary requests to allergies.

What if I’m graduating in January 2020 and want to go as a package attendee?

Oftentimes January 2020 graduates will be listed in our database with a graduation year of 2019, which limits your online registration options. If you run into trouble, please call the Administrative Office at 800.800.BETA and ask for member of our Convention team for assistance.

What if I’m having trouble registering online?

Call 800.800.BETA and ask to speak with a member of the Convention team. We are happy to assist you.

Cancellations and refunds

There are no refunds available for package selections. If a package registrant can no longer attend, you may substitute someone else for that registration at no charge. To make a substitution, please contact the Administrative Office at 800.800.BETA and ask to speak to a member of the Convention registration team.

How do I book my room?

- *Undergraduates:* You have no action. Your room will be booked by the Administrative Office. What if rooming is included in my package but I would like a single or double room?

For participants that would like to upgrade to a single room, you can select this option while registering online. Please reference the chart in the "Convention Registration" section for prices. If no upgrade is selected, undergraduate/advisor/volunteer registration includes two to a room.

| Attendee Type | Total Cost of Room Upgrade |
|-----------------------------------|----------------------------|
| Undergraduate (upgrade to single) | \$150 |
| Advisor (upgrade to single) | \$100 |

How do I pay for my hotel room?

Your shared hotel room cost is included in the package registration fee – so your chapter has already paid for it. If you choose an upgrade, you will pay the extra fee during registration. You are responsible for paying for any extras charged to your room during Convention (e.g., room service meals).

What if I'm coming early or staying late?

If you are arriving early or staying late (please see arrival/departure information below), you are responsible for making reservations directly with a local hotel and paying for the extra nights.
